Customized Labor Protection: only pay for what you want!

- Cost is 20% of protection provided: \$100 cost = \$500 protection, \$300 cost = \$1,500 protection, you set the amount.
- You determine what the job pays. You set the coverage amount!
- If we pay out on the Labor Protection, you can purchase another labor block for the replacement part, if desired.
- Good for the standard 90 days the part is guaranteed for, or purchase our one-year or three-year extended part warranty, and the labor coverage is extended automatically at no additional charge!

Extended Part Protection: One Year or Three Years

- Cost is 10% of part price to extend Part Protection from 90 days to One Year (365 days) of part coverage. Labor Protection is extended to One Year (365 days) if purchased separately from Part Protection.
- Cost is 25% of part price to extend Part Protection from 90 days to Three Years (1,095 days) of part coverage. Labor Protection is extended to Three Years (1,095 days) if purchased separately from Part Protection.
- Available on all parts where the donor vehicle had less than 200,000 miles at the time of dismantling.*
- If we replace the part, you can re-purchase the Extended Part Protection for the replacement part, if desired. If not, the original warranty period stands.
